International collaboration is crucial to addressing energy challenges. ADIPEC serves as an ideal platform to take the collective decarbonisation drive to the next level, and we are happy to share our experience with other countries.

His Excellency Suhail Mohamed Faraj Al Mazrouei
Minister of Energy and Infrastructure
United Arab Emirates

Join the world's largest energy event

Building on 40 years of energy leadership, ADIPEC 2024 will spark innovation and accelerate action, exploring the intersection of energy and AI to drive the transition and deliver global impact.

Over four days, ADIPEC will convene 184,000+ attendees from varied communities, nations and industries, including the world's largest energy producers and consumers, as well as enablers in government, finance and technology, to find collective solutions to the energy trilemma.

Across more than 10 conferences and 370+ conference sessions, featuring 1,800+ diverse voices, including ministers, CEOs, academics, energy experts and youth ADIPEC will address how collective energy innovation and action can empower lives and drive global prosperity.

The ADIPEC Exhibition, spanning 16 halls, will provide a platform where the energy world can demonstrate its high-impact solutions, build trusted relationships, and forge the game-changing, cross-sector partnerships needed to deliver secure, equitable and sustainable energy for all.

Secure your complimentary visitor pass

We recommend all our attendees register in advance through our online registration page, www.adipec.com/visreg and print their badge at home to avoid queues onsite.

PRINT YOUR BADGE AT HOME

Register as a visitor in three simple steps

www.adipec.com/visreg

1

Visit www.adipec.com/visreg to start your registration. You can register through your mobile device, using your camera to upload the documents required for registration.

2

Provide your personal details, company details, attach your passport-style photograph and either a passport or Emirates ID copy.

3

You will receive an email confirming your registration with your print-at-home visitor badge.

Reasons to attend ADIPEC 2024

Networking

Connect with industry peers, potential partners, buyers, experts and other key stakeholders from around the world, and from across the energy value chain. Build relationships, exchange ideas and foster global, cross-sector collaborations to drive your business forward.

Specialised industry areas

Across three dedicated exhibition areas presenting innovations and strategies supporting global climate and energy goals, ADIPEC offers attendees the opportunity to discover advanced decarbonisation strategies, witness the latest developments in global maritime & logistics and explore advances in digitalisation in energy.

Cutting-edge technology

Explore the latest advancements driving decarbonisation and future-proofing the energy sector. At ADIPEC, over 2,200 exhibiting companies, including 54 NOCs, IOCs, NECs and IECs will showcase their latest innovations and game-changing solutions, and spark the critical thinking needed to tackle the biggest industry challenges.

International perspective

With participants from over 135 countries, including 30 country pavilions, ADIPEC offers a unique, inclusive, platform for the industry to come together for a common cause – to advance a lower-carbon, higher-growth world through game-changing partnerships, solutions and perspectives across borders

Thought leadership

Gain strategic and technical insights from over 1,800 speakers, including government ministers, CEOs, innovators, policymakers and energy specialists. Engage in critical discussions, be part of valuable industry presentations and keynote speeches on the biggest subjects impacting the energy sector.

Upgrade to a delegate pass: www.adipec.com/confreg

Connect and foster cross-border partnerships with leading NOCs, IOCs, NECs and IECs

ADIPEC welcomes the participation of more than 54 NOCs, IOCs, NECs and IECs, offering a platform to showcase the latest innovations, technologies and solutions driving energy progress. Participants include:

[View exhibitor list](http://www.adipec.com/exhibitorlist) www.adipec.com/exhibitorlist

Gain diverse perspectives and build a global network

ADIPEC ensures representation from around the world, enabling a deeper understanding of the unique and complex energy and climate challenges faced by communities across the world.

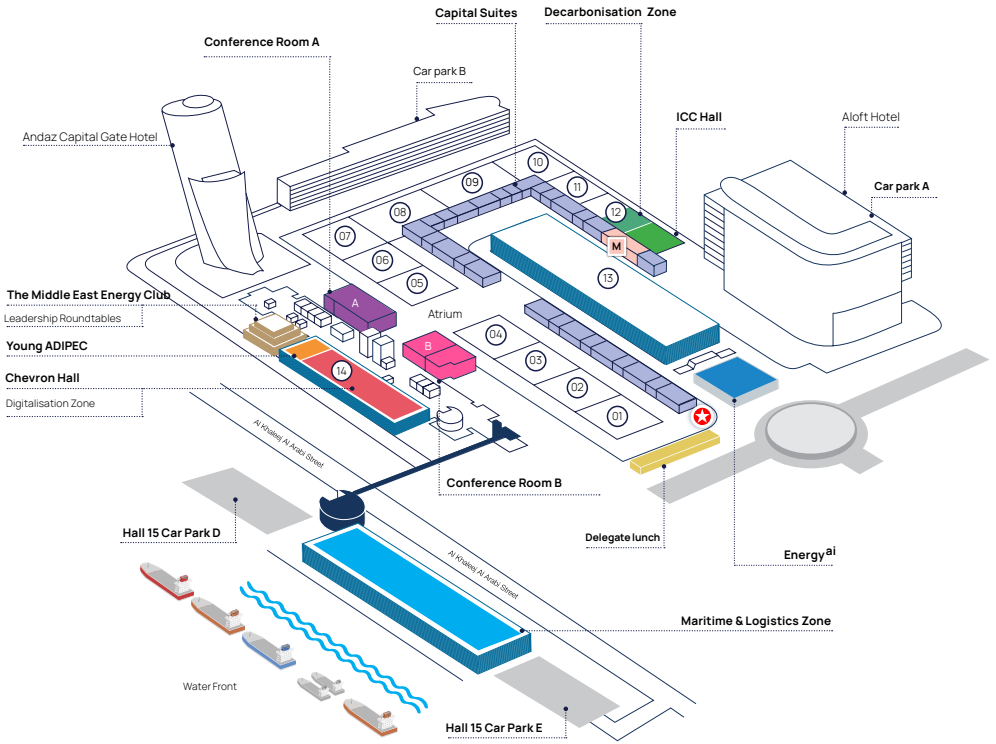

The 30 dedicated country pavilions at ADIPEC will amplify diverse perspectives, spotlight innovative ideas and sustainable practices, provide a platform to forge game-changing global partnerships, and encourage unity around the common goal of delivering a fair and equitable transition.

Energy^{ai} at ADIPEC 2024

NEW FOR 2024

Hosted by

Spotlighting the transformational impact of artificial intelligence (AI) on the energy transition, the inaugural Energy^{ai} at ADIPEC 2024 will explore the energy-AI nexus, highlighting the integration and impact of AI solutions across the value chain while shining a light on the increasing demands AI is placing on our energy systems.

Hosted in a purpose-built hall, the Energy^{ai} area will convene energy and AI stakeholders from across the energy and technology ecosystem and beyond to catalyse new partnerships and collaborations centred on technological innovation and advancing the global AI roadmap in support of sustainable energy transformation.

Visit Energy^{ai} at ADIPEC to view the latest AI innovations transforming the energy industry.

Decarbonisation Zone

The Decarbonisation area at ADIPEC can spark the disruptive thinking needed to deliver tangible, high-impact solutions for energy sustainability and decarbonisation, bridging the gap between finance and innovation to unlock unprecedented new investments in our collective energy future.

By spotlighting transformational energy solutions, from opportunities in new energy adoption, storage, carbon capture, infrastructure and utilities, to the decarbonisation of heavy industries and advances in methane emissions reduction, the accelerator provides a platform for businesses working to tackle these critical challenges with new pathways to scale and grow.

Visit the ADIPEC Decarbonisation Zone to explore the latest solutions impacting the future of the energy industry.

Decarbonisation sponsors:

Upgrade your visitor pass to attend the Decarbonisation Conference, that will explore international collaboration, clean energy investment, digitalisation, innovation and operational excellence as essential drivers of the future energy system.

Book your delegate pass at www.adipec.com/confreg.

To find out more, please visit www.adipec.com/decarbonisation

Digitalisation Zone

Digital technologies will form the foundations of an energy system that can enable a higher-growth, lower-carbon future. The Digitalisation area will advocate for the accelerated adoption and integration of transformational digital solutions like smart grids, drone and satellite detection technologies, and shared mobility solutions.

By creating a space to share new ideas, solutions and best practices, the Digitalisation area seeks to demonstrate how industry leaders and innovators can come together to create the energy system of the future, today.

View the latest technologies transforming the energy industry at the ADIPEC Digitalisation Zone.

Maritime & Logistics Zone

Moving from consensus to action on the challenge of decarbonising the global maritime and logistics industries at scale requires continued progress in the development and roll-out of supportive policies and cross-sector strategies.

The Maritime & Logistics area is a meeting place for the energy and maritime sectors to come together to explore emissions reduction solutions that can advance the world's climate ambitions. It will bring together industry leaders, regulators and decision makers from the global maritime and logistics supply chain, alongside leading technological and digital experts to accelerate tangible, collective progress and advance the unprecedented commitments set out in the UAE Consensus.

Witness the latest offerings and trends in the maritime and logistics sector when you visit the ADIPEC Maritime & Logistics Zone.

Upgrade your visitor pass to attend the Maritime & Logistics Conference, that will convene experts from the shipping world and beyond, fostering dialogues that drive cross-sector progress towards net-zero to shape future global supply chains.

Conferences overview

The ADIPEC Conferences seek to advance tangible action and demonstrate collaborative industry progress, emphasising the need for an economy-wide transformation for people and the planet. The conference programme aims to catalyse innovation and energy action by connecting the ideas, ambition, technology, and capital necessary to foster innovative solutions and drive actionable outcomes.

Through its dynamic portfolio of conferences, ADIPEC will provide an inclusive stage for more than **1,800 speakers** to address the most urgent global energy challenges. These leaders and innovators will offer diverse perspectives and approaches, sharing impactful insights from across the energy, finance, technology, manufacturing, transport and construction sectors.

Welcoming more than **16,500 delegates**, the conferences will encourage cross-sector collaboration and explore pivotal strategies and innovations essential to addressing the energy trilemma.

ADIPEC plays a critical role in convening global industries to tackle the defining challenge of our time – transforming the global energy system to secure the sustainable energy needed to grow economies, empower everyday life, and accelerate technological innovation, while eliminating emissions.

Tayba Al Hashemi
CEO of ADNOC Offshore
and Chair of ADIPEC 2024

ADIPEC Conferences programme

Spanning **10 conferences** and over **370+ sessions**, ADIPEC will provide an inclusive stage for more than **1,800 speakers** to address the most urgent global energy challenges.

Under two conference streams -Strategic and Technical - 10 Leadership Roundtables, global experts will share their insights and approaches to achieving global energy objectives and drive economic growth and prosperity.

Strategic Conferences

• Strategic Conference

The Strategic Conference will mobilise the knowledge, expertise and resources needed to accelerate energy action, advance the world's decarbonisation goals and drive transformation across industries.

• Decarbonisation Conference

The Decarbonisation Conference will pool insights and expertise from the entire global energy ecosystem, creating an inclusive forum dedicated to finding credible solutions that can deliver the energy system of the future, while rapidly decarbonising the energy system of today.

• Hydrogen Conference

The Hydrogen Conference recognises the critical role that low-carbon hydrogen solutions will play in delivering a balanced energy transition. Integrating hydrogen solutions at scale will have a transformational impact on decarbonising hard-to-abate sectors while also enabling the integration of renewables into the global energy mix by offering a stable, clean storage option.

• Maritime & Logistics Conference

The Maritime & Logistics Conference will convene pioneers, executives and regulators from the shipping world and beyond, fostering dialogues that drive cross-sector progress towards net-zero, shaping the future of global supply chains and reinforcing a collective commitment for both, people and the planet.

• Finance & Investment Conference - NEW

The Finance & Investment Conference leverages global capital markets to advance a lower-carbon, higher-growth world. The programme offers a convening platform for the finance and energy sectors to activate finance and investment like never before.

• Digitalisation & Technology Conference - NEW

The Digitalisation & Technology Conference will unlock the opportunities presented by the integration and adoption of Fourth Industrial Revolution technologies, with a special focus on artificial intelligence (AI).

• Voices of Tomorrow - NEW

Voices of Tomorrow provides a meaningful convening platform for leaders from the energy industry, representatives from civil society and champions of diversity and youth, ensuring that the path towards a sustainable energy future is shaped by a truly global community.

Technical Conferences

- **Technical Conference** - Organised by SPE, the Technical Conference brings together the brightest minds and technical experts from across the energy value chain to highlight the strategies and innovations accelerating the transformation of the energy system.
- **Downstream Technical Conference** - The Downstream Technical Conference will accelerate collaboration and partnerships, offering opportunities to gain insights into the transformative strategies and advancements in low-carbon solutions, digital transformation, advanced manufacturing, alternative fuels, project excellence and the wider downstream value chain.

Visit www.adipec.com/conferences
or email delegate@adipec.com
to learn more.

All Access Pass

Gain access to over 370 sessions through the All Access Conference Pass. Hear from for more than 1,800 speakers as they address the most urgent global energy challenges. Under two conference streams - Strategic and Technical - global experts will share their insights and approaches to achieving meaningful industry, climate, and business objectives.

Gain access to **ALL** of the following conferences

US\$6,505

Strategic Conference

The Strategic Conference will convene the energy world's most influential voices, offering diverse perspectives and accelerating action to deliver a just and orderly transition.

Young ADIPEC

Supported by

وزارة التعليم
والمعرفة
DEPARTMENT OF EDUCATION
AND KNOWLEDGE

Youth powering the energy future

Under the patronage of His Excellency Sheikh Nahayan Mubarak Al Nahayan, UAE Minister of Tolerance and Coexistence, and with the support of the Abu Dhabi Department of Education and Knowledge (ADEK), ADIPEC 2024 will host the 12th edition of Young ADIPEC.

Young ADIPEC seeks to inspire tomorrow's changemakers and to create more inclusive and progressive energy future through a dedicated learning platform that actively engages high school and university students within the framework of Science, Technology, Engineering, and Mathematics (STEM) education.

Since inception in 2013, Young ADIPEC has engaged over 6,000 students from across the UAE, igniting their passion and motivation to prepare them to pursue rewarding careers in the energy industry. Following last year's success, Young ADIPEC 2024 has expanded to include nine components:

- Industrial Fieldtrips
- Experimental & Edutainment Hub
- Youth Talks
- Ambassadors Connect
- Methane Abatement Challenge
- School Connect ^{NEW}
- University Connect ^{NEW}
- Industry Connect ^{NEW}
- SANED ^{NEW}

To be part of the programme and explore how you can be involved:

email youngadipec@dmgevents.com **to learn more.**

Middle East Energy Club

Connecting the global energy industry

The Middle East Energy Club is an exclusive, invitation-only, business-focused members club connecting ministers, dignitaries, C-level executives, and senior decision-makers from across the energy value chain.

Home to the energy industry's elite since 2012, the Middle East Energy Club provides a platform for members to foster collaborative action, offering tailored facilities to conduct meetings, host exclusive discussions and network with fellow energy industry leaders.

For more information, please visit www.adipec.com/meec

ADIPEC Leadership Roundtables

At these invitation-only roundtables, decision-makers who are spearheading the evolution of a responsible energy industry will engage in impactful discussions aimed at accelerating the energy transition. Each conversation will be enriched by specialised expertise and diverse perspectives, transforming discussions into tangible actions, insights into meaningful impacts, and commitments into reality.

ADIPEC Leadership Roundtables sessions:

<p>Energy transition, AI and the role of emerging economies</p> <p>Monday 4 November 2024 - 15:30</p>	<p>Hosted by  Knowledge partner </p>	<p>How can climate technologies help scale decarbonisation across the energy system?</p> <p>Wednesday 6 November 2024 - 09:00</p>	<p>Hosted by </p>
<p>Cross-border energy trade: making transition possible</p> <p>Tuesday 5 November 2024 - 10:30</p>	<p>Hosted by  Knowledge partner </p>	<p>Mobilising capital to fund the energy transition</p> <p>Wednesday 6 November 2024 - 11:30</p>	<p>Knowledge partner </p>
<p>Low-carbon strategies in the race to net-zero</p> <p>Tuesday 5 November 2024 - 11:30</p>	<p>Hosted by  Knowledge partner </p>	<p>Cross-sector partnerships: driving transformation across industries</p> <p>Wednesday 6 November 2024 - 14:00</p>	<p>Hosted by  Knowledge partner </p>
<p>The Oil & Gas Decarbonization Charter</p> <p>Tuesday 5 November 2024 - 14:00</p>	<p>Knowledge partner </p>	<p>Natural gas and LNG: balancing demand, sustainability and market dynamics</p> <p>Wednesday 6 November 2024 - 16:30</p>	<p>Knowledge partner </p>
<p>Hydrogen: scaling up production and creating demand</p> <p>Tuesday 5 November 2024 - 16:30</p>	<p>Hosted by  Knowledge partner  Association </p>	<hr/> <p>For more information, please visit www.adipec.com/roundtables</p>	

Plan your visit for ADIPEC 2024

ADNEC is located in the capital city's Diplomatic District of Mussafah Road and Khaleej Al Arabi Street and is easily accessed by a well-developed network of roads.

For more information, visit www.adipec.com/venue

Venue partner

ADIPEC has partnered with Emirates Palace Abu Dhabi, a 5-star luxury hotel, only 40 minutes from the airport and 20 minutes from ADNEC. For more information on hotel reservations and special rate during ADIPEC, please contact the reservations team on:

T: +971 2 690 8888

E: epauh-reservations@mohg.com

W: mandarinoriental.com/abu-dhabi-emirates-palace

Official hotel partner

Park and Ride

To make the most of your visit during ADIPEC, take advantage of the complimentary Park and Ride service available to all ADIPEC participants at the Zayed Sports City, Abu Dhabi.

Benefit from 5,000 available parking slots and shuttle buses to and from the venue are all free of charge from 4-7 November 2024.

For more information, visit www.adipec.com/park-and-ride

Sport & Recreation Partner

Working with our Official Travel Partner, ADIPEC will offer participants a full complement of travel services encompassing business travel management and hotel accommodation, ensuring the best price to help reduce participants' costs and support groups and individual participants based on their unique requirements.

For more information on travel and accommodation, please contact Randa Darwich

E: adipec@flyt.ae **M:** +971501214201 (Call & Whatsapp)

T: +97122078940 **W:** www.adipec.com/flyt

Official travel partner

Download the Careem App and use the special discount code, 'ADNEC' to secure a 20% discount on the use of Careem rides to and from ADNEC during the show. Where possible, we encourage you to share your Careem ride with your colleagues to reduce your carbon footprint.

Shuttle bus schedule

ADIPEC provides a complimentary hotel shuttle bus service to and from selected hotels to the venue in Abu Dhabi.

Please find below list of hotels included in the hotel shuttle bus service.

- | | |
|----------------------------------------------|-----------------------------------|
| 1 Park Rotana Hotel | 11 Le Royal Meridien |
| 2 Holiday Inn | 12 VOGO Hotel |
